

STUDENT RN TUITION ASSISTANCE PROGRAM

CAMC is investing in the future of health care – YOU!

We know that a highly-educated nursing workforce strengthens the quality of care we provide our patients. That's why we provide nurses with access to programs that help them complete their education and secure their place on our elite team.

CAMC will offer tuition assistance to eligible students who have been accepted to any accredited nursing school. Students must be currently enrolled, have a letter of acceptance or be in good standing in an Associate or Bachelor degree RN program.

Work commitment guidelines

In exchange for the tuition assistance, students must agree to a work commitment with CAMC:

- Work commitment is up to 5 years
 - Nurse Extern – 3 year work commitment
 - CAMC employee on nursing unit – 3 year work commitment
- Commitment starts upon hire in an RN capacity at CAMC
- Must be employed within three months of graduation date
- Must be in a .8 status or greater for the entire time frame of contract

Financial guidelines

- Up to \$5,000 per semester – not to exceed \$30,000 for the duration of contract.
- If not successful in completing RN program or obtaining RN license, the full amount will be required to be repaid.
- Anything paid out in excess of \$5,250 in a calendar year, per the IRS regulations, will be taxed. If you are not a CAMC employee, you will receive a 1099 for tax purposes.

To apply, go to camc.org/NursingEd. Incomplete applications will not be considered.

Application deadlines: Spring semester Nov. 1 • Summer semester April 1 • Fall semester July 1
